№ 19-4/136.

INVITATION

Mr./Mrs./Miss

The State Energy Institute of Turkmenistan from 10 to 15 March, 2025 conducts the **IV Open International Internet Olympiad in the discipline “Theoretical Mechanics”** among the students of the higher educational institutions of Turkmenistan and abroad. The State Energy Institute of Turkmenistan cordially invites the students of Your higher educational institution to participate in this Olympiad. We believe that this International Olympiad will help to strengthen the scientific and educational cooperation among the students and teachers of the higher educational institutions of the two friendly countries, identify talented young people, improve their theoretical knowledge, increase their practical skills and exchange experience.

IV Open International Internet Olympiad will be held through the Google Meet or Zoom software, and the tasks of the Olympiad will be posted in a special section of the institute website <https://tdei.edu.tm/baslesik/28> on the day of the Olympiad.

IV Open International Internet Olympiad will be held in the form of the individual and team Olympiad.

The official languages of the **IV Open International Internet Olympiad** are Turkmen, Russian and English.

The students of any specialty and any year of study can participate in the Olympiad.

No more than 10 (ten) students from each higher educational institution can take part in the Individual Olympiad.

1 (one) or 2 (two) teams consisting of no more than 5 (five) students from each higher educational institution can take part in the Team Olympiad, the team can also be a team combined from the students of several higher educational institutions.

Registration of information about the students of the higher educational institutions and their leaders who wish to take part in the **IV Open International Internet Olympiad in the discipline “Theoretical Mechanics”** will be held in a special section of the institute website <https://tdei.edu.tm/baslesik/28> until March 5, 2025.

Sincerely,
**Rector of the State Energy
Institute of Turkmenistan
S.G.Nazarov**
